Iris Bishop has kindly agreed to run a series of workshops for the Guild. At these workshops Iris will demonstrate some of her unique techniques before you "have a go"!

Single bed machines will be available if necessary. The aim of these workshops is for us all to master some new techniques. Afterwards, it would be marvellous if you could use them to produce a sample for a co-ordinated Guild display for the NEC in March and the Nottingham Show in April. After these shows your work will be returned to you. The colours that will be used are black and white with one other accent colour so start collecting those oddments together! Some yarn will also be provided at the workshops.

Spaces are strictly limited but to ensure everyone has an equal chance, bookings will commence on 14th October. Contact the organiser of the venue you wish to attend. Please make any cheques payable to the respective organiser. Full payment is required to secure your place.

If the organisers have to cancel the workshops for any reason full refund will be given. However if you are unable to attend refund can only be given if the place is resold
